

We need your help - Parish Giving Scheme

A substantial Heritage grant as well as local support put the Church back in good shape a few years ago. But the North Devon weather is not kind to stone and mortar and the cycle of repair and maintenance has to begin afresh.

The community already contributes by way of the Revel and other events in the year but the reality is that we have to try to do more if we are to save our Church. If we act now, there is a good chance we can preserve our church for years to come.

The Parish Giving Scheme has been developed by the Church of England to allow those who are perhaps not able to attend regular services but who nevertheless want to support their church. The Scheme makes the most of any contribution by reclaiming the tax, but also by allowing the local Church Council to plan ahead and make the most of any funds available.

If you would like to help by joining the Parish Giving Scheme please either contact our Vicar, Alastair Forman, or the PCC Treasurer, Caro Hammick.
